## Automatically lift and lower your truck top with Clock Conversions AccessATop!

AccessATop protects your mobility device from all weather elements!

### Vehicle Applications:

- GM full size pickup trucks
- Ford full size pickup trucks
- Dodge full size pickup trucks
- Toyota full size pickup trucks

**IMPORTANT NOTE:** Always contact your AccessATop dealer for specific applications for your vehicle.

**PLEASE NOTE:**

- Dealers may obtain a compatible cap on their own, but it is recommended to order the cap through Clock Conversions.
- The AccessATop is not recommended for truck beds less than 5 feet 7 inches in length. Many mobility devices will not have adequate space when loaded into a truck with a shorter bed. Contact Clock Conversions for application limitations.
- No Composite Beds-Step-Side/Flare-Side beds **cannot** be used.
